

BOOM TRUCK OPERATOR – FOLDING BOOM UNLIMITED TONNAGE

Occupation Description

“Folding Boom Unlimited Tonnage” operator means a person who operates a truck mounted folding boom crane with capacity over 22 tonnes to perform lifts and hoists, places and secures loads, sets up the crane, takes down the crane and plans lifts and crane procedures.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the ITA website.

Pathways to Certification

In BC, an individual can become certified as a Boom Truck Operator – Folding Boom Unlimited Tonnage by completing the Boom Truck Operator – Folding Boom Unlimited Tonnage program or by challenging the certification. All crane operators must be registered with the British Columbia Association for Crane Safety (BCACS) prior to applying for ITA apprenticeship registration. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 12 or equivalent

BCACS Registration

BCACS registration is required for all crane operators in British Columbia. Registration forms are available on the BCACS website at www.bcacs.ca.

ITA Registration

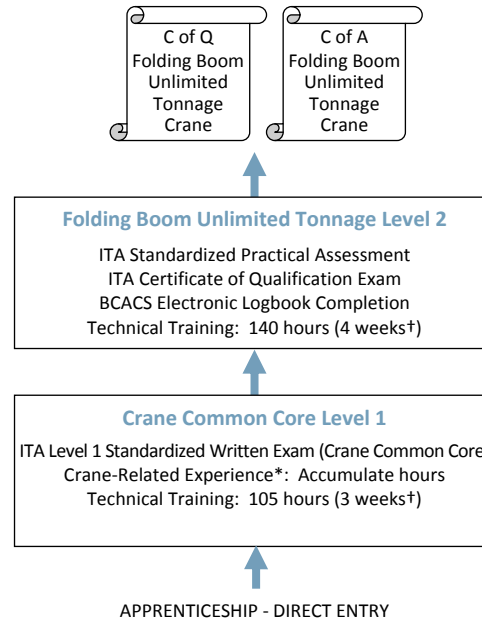

Individuals who wish to begin an apprenticeship in this program must register with ITA along with their sponsor. Application forms for all programs are available from the ITA website. Online registration is also available for most programs through the ITA website.

Those who wish to challenge the Boom Truck Operator – Folding Boom Unlimited Tonnage certification must complete the Boom Truck Operator – Folding Boom Unlimited Tonnage Challenge Package and submit it to ITA. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the challenge pathway.
