

Application Form

Compliance Verification for: Crane Mechanic (Limited Scope, Non-commercial Lift)

A BC Crane Mechanic (Limited Scope, Non-commercial Lift) designation allows the mechanic to operate in the role of mechanic on behalf of an employer. The designation is restricted to that role and does not allow commercial lifts to be made. The employer is responsible for all lifts.

Please go to the BC Crane Safety site to review the training and supervision requirements, and the employer responsibilities.

Instructions

1. Print this document.
2. Complete the form including all signatures.
 - **Print clearly.**
 - All fields are required. Processing will be delayed if information is missing.
3. Provide a passport-sized photo of the operator.
 - Enclose a photo 2" wide x 2.75" high or email a digital photo (min. 300 dpi / medium resolution) to info@bccranesafety.ca
 - Include the head and shoulders.
 - Take the picture in front of a plain, light-coloured background.
 - **No hats or sunglasses to be worn.**
4. For fees and information about payment, and instructions on where to send your application, see the last page of this document.

Agreement

Crane Mechanic (Limited Scope, Non-commercial Lift)

In the event of an incident, WorkSafeBC will request evidence of training for operating the crane classification involved.

The Crane Mechanic (Limited Scope, Non-commercial Lift) compliance statement is not transferable between employers. The crane mechanic is no longer compliant if they are no longer employed by the employer named on the application.

Crane Mechanic

I have read and understood all the conditions in this application. I agree to operate only crane(s) within the classification as trained on and signed off on by the employer named on this application.

I understand that no critical lifts or commercial lifts are permitted.
